

# ELUCC Meeting

## NOV 2nd, 2017

PO Box 582, Lebanon, Oregon 97355

The meeting was called to order by President Kevin Hamilton, minutes were read/reviewed, motion by Joyce to accept them with the correction of the OUCC meeting being Oct 10<sup>th</sup> and not Nov. 2<sup>nd</sup> by Karl. Voted on and passed.

**Treasurer's Report:** \$2,054.99

**Damage Report:** There was one hit in Lebanon. A contractor hand dug for a water service did not find it so thought they were ok? They were not! The City of Bend is or will require contractors to take the Standards Training and show proof of that training before they will issue the construction permits.

**Standards Report:** USIC is sending E-Mails stating that No Utilities exist when actually there are some. The County, RTI, and the City of Lebanon have all experienced this. They are also doing a lot of Off Set Marking when it appears they are not needed. This is making understanding the locate much harder. The Standards Manual doesn't show anything related for Contractors/owner using Off set Marks. Kevin may contact USIC and chat with them about this.

**State Council Report:**

**P & E Report:** The Living Well Fair was ok but nothing to get to excited about. Not really our Venue. We decided the November breakfast just wasn't going to happening. Came to quick, Ken Lamb not available to cook for it. The new calendars are available to order on line. Get them while they are available, they go fast.

**Old Business:** NONE

**New Business:** E-Mail all Nominations to Kevin, he will tally them than send out a Survey Monkey. We talked about who would be the recipient of our Sponsorship this year? It was suggested we would give it to the Dooley Family. With some discussion it was decided and voted on to send the family \$500.00. We will invite a Rep. or two from LBUCC to our next meeting to discuss the upcoming Contractor's Breakfast and Dinner.

**Projects:** The Airport/Russel Road Project in Lebanon is about rapped up. There is a small block of so not quit done yet but Airport road east of Hwy 20 to Russel Road is now open for business. Please E-mail any new projects to Frank at [ffrenzel@ci.lebanon.or.us](mailto:ffrenzel@ci.lebanon.or.us).

**Next Meeting:** Will be at the Elite Korner Kitchen here in Beautiful Down Town Lebanon. Thursday November2nd, 2017'
