- Treasurer's Report as of 6/30/19 - \$6,389.02

Old Business:

- No old business

New Business:

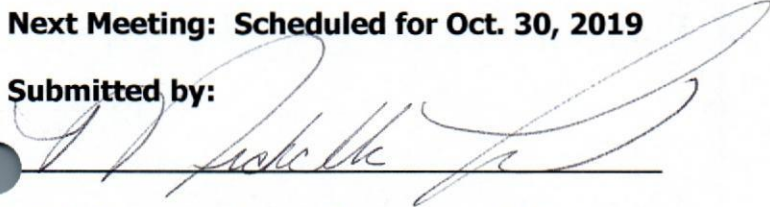

- General:
- Provided the new trifold wallet 811 cards – Michelle will order more from Kitty for the next meeting.
- Reviewed the 3 new questions the One Call Center will be asking beginning. Sept. 12, 2019
- Bowers Landscaping at Del Taco was stopped without locates and using picks directly over the Avista gas main, educated them and they did call in for locates.
- ELM – Tristan and Locating Inc. - Lynn
 - Frustrated by inadequate information on the locate tickets, lack of yard access, two contractors that are consistently not providing complete information are McBride Surveying and Steve's Excavating – Michelle will reach out and talk with both companies.
 - Having to mark entire lot versus actual area needed is time consuming and not productive. Very few contractors use white paint, they should be marking the area appropriately.
- Thoughts on how to educate the public with regards to using white paint?.
- Charter's Contractor – Decibels – Their ticket information rarely matches the ticket description and location. A point of contact for Charter/Spectrum is Russ Zakour at (541) 531-2966 or the construction contact is Ray Adkins at (541) 531-2951, KUCC should try to call and invite to our meetings.
- Century Link – Working on permitting to install line on Sprague River Rd.
- Klamath County – Crescent Sewer Project on going
- Barry Zelmer – ODOT
 - April 2020 - Highway 140 E and Hwy. 39 Junction to Matney Road.
 - 2020 – Northside from Crest St. to Madison on S. 6th St. - ADA Ramp replacement Program.

- House bill passed and has generated ODOT several projects next year, all with different engineering and contractors so it will be a very busy year.
- Lakeshore Drive is going to be an extensive expansion project and is tentative for 2020-2021.
- Barry Zelmer will be retiring in April 2020 or April 2021 and he is currently educating Tyler Swanson as his replacement in the Bend office, we will get contact information from Barry at a later date.
- It was suggested to create a step by step of what is needed and how to call in a locate for educating the general public.
- Locate Ticket Issues:
 - Excessive length locates called in and no use of white paint causes delays in trying to determine what is required to locate vs the entire property.
- Other:
 - Third week of January is the Safety Conference in Bend, registration will come out in November 2019.
 - Barry Zelmer had a great suggestion for each KUCC member to bring a guest to the next meeting to familiarize them with our group and in hopes to have more people educated in the 811 system and reach out and inform the public.
