Dear Friends,

We ask for your help to provide food and hope again this holiday season with Holiday Food Baskets. Our south county neighbors still face the challenges of meeting basic needs. Your contributions make a huge difference in the lives of working families, single parent families, the disabled and the elderly who are struggling here in Waldport, Yachats, Seal Rock, Tidewater and Five Rivers.

Last year we prepared Holiday Food Baskets for 875 people for Thanksgiving and 1,100 people for Christmas! We also collaborated with the South County Needy Children's Christmas Gift Program to further brighten the season for 210 children.

South Lincoln Resources is still an all volunteer, community based, tax exempt, 501(c)(3) non-profit, charitable organization serving local families in need since 1983. Our program funding comes entirely from the South Lincoln Community and serves only the South Lincoln Community. Neighbor helping neighbor.

Food baskets rely on food and cash donations. The Directors of South Lincoln Resources seriously uphold our responsibility to get the most service out of every dollar. We have great buying power through Food Share of Lincoln County and other sources.

This will be our first Holiday Food Basket season in our new home, thanks again to our south county neighbors! Improved conditions and efficiency will benefit volunteers and the people we serve through all SLR programs, Needy Children's Christmas Gifts, Adventist Clothing Share and Waldport Food Share.

These are your community services. Call or e-mail to learn more about how these programs work together to benefit our community.

Thank you for your generosity. For your convenience, a self-addressed envelope is enclosed for your tax deductible contribution.

Sincerely,

*Tonner*

Tonner Hays

## OUCC President's News Letter November, 2014

Dan Dooley is a courageous man who has served the "Call Before You Dig" community unselfishly and with passion. Dan Dooley is the type of person you look forward to seeing. He always has a smile, a good sense of humor, and he is a very positive person. Dan has served the East Linn UCC and the Lincoln County UCC for many years. This is Dan's third round of cancer and he has Stage IV metastatic colon cancer. He says he feels that he still has a lot of life left in him but research indicates differently. Dan's wish is to take his family on a vacation in the near future. He also would like to complete a building project with his son, Devin, and as always, with a disease like cancer, there are medical needs that must be met. I encourage each of you and every council to make a donation to Dan's cause. You can make your donations by using this link <http://www.gofundme.com/gnsxkc>.

Thank you for the suggestions for next year's meeting locations. The meetings will be held as follows:

March 2015	McMenamins Grand Lodge	Forest Grove
June 2015	Eagle Crest Resort	Redmond
September 2015	Best Western	Seaside
December 2015	Spirit Mountain Casino	Grand Ronde

We will be using DIRT as our reporting tool in the near future. **Kevin Bissell**, with **One Call Concepts**, will give an introduction to ITIC Mobile (see page 2).
