### **Standard Chair Presentation: Jake Gilbertson – Standards Chair**

- **Presentation- Monthly Statute Topic:** Presented by Jake Gilbertson-
- **Topic: Concrete Stake installation-**

**<https://digsafelyoregon.com/wp-content/uploads/2019/05/Standards-Manual-1-1-19.pdf>**

– Check your Oregon Standards Manual for more information on this and other dig law statutes.

**Today's topic found on page #39.**

- **Discussion- Digging sometimes 2 to 3 ft deep without locates! Need to get awareness out.**
- **Old Business – Annual Funding? Brian Kershner OUCC- \$2000.00 reach out for funds, if needed.**
- Here are a few notes from our meeting:

We agreed to keep the date of the 2022 MUCC Golf Scramble to be the same – 3<sup>rd</sup> Friday in July.

1. MUCC Scramble 2022 will be July 15, 2022 at Stone Creek in Oregon City.
2. We also wanted to continue with Dixon Golf and offering the website.
3. We, as a committee, are vowing to meet once every 4-6 weeks, to make this upcoming golf scramble the best it's ever been! We are taking turns on hosting & selecting locations.
4. We will be focusing in on getting more Sponsors, of varying levels of donations, to help boost the appeal of the tournament and the raffle (hoping for more hole sponsors that provide adult beverages, games, etc. AND sponsors that will donate gifts for the raffle). Justin Brandon is offering up a Sponsor Letter that he will forward to us soon.
5. We now have a QR code for the instructions of the scramble (which were not made clear in this years), little scissors for the string, more games/fun at each hole, looking into buying out the course vs. paying per player (if it makes sense \$\$), a possible early registration discount, and possibly a morning "light adult beverage" option at check-in to kick up the fun atmosphere.
6. Next Meeting – Has not yet been determined.
7. Time to be 4 or 5 pm. Update to follow.

## Metropolitan Utility Coordinating Council

Old business continued - Back to School Outreach for upcoming year.

Jaime Lemke- Check out [Schoolhousesupplies.org](http://Schoolhousesupplies.org) This organization and website is currently out there. Located at 122<sup>nd</sup> Ave in Gresham. Jaime to reach out to find out what kids need the most. We hope to get items put together in August after our Golf event. This organization will distribute them. 😊

### **New Business-**

Coffee giveaways? Steve Zimmerman to reach out to Nicole to see about getting her roasted coffee put into 811 bags for giveaways. Steve to follow up. Possibility of local coffee event with local coffee carts. 811 coffee sleeves made up. Handed out to locally owned shops. Probably not corporate owned as to difficult to get approved.

Excavator Outreach- Ongoing- Discussion. Drop tags at nursery's stickers on shovels? Not found to be effective in the past. Discussion on reaching out to home improvement stores and Rental facilities at local storefronts. Reaching out to their management in hopes to bringing 811 awareness and materials. Also CCB license education curriculum?

### **Follow up on this – tasks – progress?**

Good of the order- By laws update? Clarification of positions and duties. The By Laws Subcommittee meeting directly after the February MUCC meeting has been postponed to a later date. We will discuss this when members are able to attend. 😊

New dues statements to go out soon. KC
