2	
Z.	Review minutes: Motion to approve $\boxtimes$ "as submitted" or $\square$ "as revised" (check one)
	a. By Jeff Brown seconded by Doug Triebelhorn
	b. Discussion – $\square$ Y / $\boxtimes$ N, $\boxtimes$ motion carried (check one)
3.	Treasurer's Report: Beginning Balance \$ 1,082.07 Ending Balance \$ 716.27
	a. Changes: See Treasurer's reports (attached)
4.	Damages / Near Misses: None reported. Jeff mentioned the City of Pendleton is having major
	problems with USIC, the locating service hired by Centurylink and Charter. They are either not
	providing locates or will give the all clear on locate ticket requests without even visiting the site. If
	there aren't locate marks and an all clear message hasn't been received, City staff end up calling
	USIC directly. Apparently, Centurylink gets the locate requests, sends it to USIC and sends out the
	all clear ticket.
	Kurt mentioned they are having the same issue in Hermiston. The ticket will say it's good to
	go and then someone with USIC will show up on the day work is to start. Tim Smith stated both
	USIC and Locates Inc. are having staffing problems. Doug mentioned Centurylink is also having
	problems with locating accurately. The locates have been off by a significant amount.
	Tim Smith reported at the last OUNC Board meeting on June 9th they discussed this issue and
	talked about adding another question when calling for locates which is: When is the job to start?
	Hector questioned if someone had dug through their fiber, whose liability would it have been? Jeff

5. P & E Report (Publicity & Education) / Upcoming Events / Meetings: \_\_\_\_\_ Jutta reported the Babe Ruth Sponsorship sign has been paid for and is up at the Babe Ruth baseball park (Bob White Field). Kitty O'Keefe, Administrative & Outreach Coordinator with OUNC sent another email regarding

you can mark that would send out an all clear email.

1) High risk or 2) All clear. Tim Smith mentioned when submitting a request online there is a box

needing volunteers at this year's Pendleton Round-Up from September 13th through September 18th. Each volunteer would be asked to man the 811 booth one day for a 3-4 hour shift and they will need at least 2 people per shift. The sponsorship provides daily complimentary tickets to the rodeo and other events. PBR tickets went on sale this month which are \$45-\$55 in the sponsor area. If you want some set aside before they go on sale, let her know at kitty@digsafelyoregon.com. Jutta has emailed her and let her know that a lot of staff in this area already volunteer for the Round Up so she may have a hard time finding people to help. Doug stated he will help and will contact Kitty.

Kaley Cope with the City of Pendleton Parks and Recreation Department submitted an email inquiring if we wanted to sponsor a Movie in the Park this year. The cost is \$500. Jutta mentioned the balance in the account is currently only \$716.00 but she will apply for additional funding from the OUCC and send out dues invoices for 2021 as soon as possible. The members present voted unanimously to sponsor another movie this year once we receive the additional assistance money.

Jutta received a letter from Umatilla County Public Health inviting all nonprofits and churches to take part in the Umatilla County Community Rewards Program to help encourage Covid-19 vaccinations. Their goal is to increase the vaccination rate of every zip code in Umatilla County to 60% (at least one dose) by September 1, 2021. Participating organizations will receive an incentive payment from a pool of monies designated for each Umatilla County zip code. The deadline to apply is Friday, July 16th. The members present voted to not participate in this program.

- 6. State Business: Tim Smith reported the OUNC is currently working on amending the OAR's to change some of the rules, such as making it mandatory to mark the proposed excavation site in white as this has been an ongoing issue. Also, a Request for Administrative Action (RAA) can be filed against anyone violating the Oregon excavating laws. The OUNC writes the OAR's; the PUC enforces the rules. The process to file an RAA is available online at www.digsafelyoregon.com. Once a complaint is filed it goes directly to the PUC. He also mentioned the OUNC hired Josh Thomas to be their Executive Director. He will run the OUNC instead of volunteers since it is very time consuming.
